

**BILLY ROBBINS' HOOKED ON SAFETY**

*My World*

***DISCUSSION QUESTIONS***

1. Billy says hazardous jobs become dangerous when someone gets in a hurry or takes a shortcut. What are some of these jobs at this facility and what could be the consequences of hurrying or taking a shortcut?
2. If you suffered a serious injury at work, how would it affect you and your family? Will you think about that the next time you get in a hurry or are tempted to take a shortcut to finish a job?
3. What are some things that we all can do at this facility to reach our goal of an accident-free workplace?
4. Do you believe that you and your co-workers can actually achieve an accident-free workplace? Why or why not?
5. What do you think we can do to stay motivated and committed to do each job 100 percent correctly 100 percent of the time?
6. Someone pays for every workplace accident. Who do you feel really pays and why?
